

Activity days "Lysogorsky sanki" 2020

Activity days are held from 00.00 UTC February 14 to 03.00 UTC March 01, 2020 year on all amateur radio bands, all types of modes.

"Lysogorsky sanki" is a rural festival of creative descent to homemade sleigh. Date of the festival: February 15 - 16, 2020. A place carrying out: the village of Lysy Gory of the Tambov district of the Tambov region.

Within the framework of the activity days, a special amateur radio station will work **R2020LS** (Russia 2020 Lysogorsky Sanki).

Special QSL (postal card) with information about the event will be made and sent to all radio amateurs who have established radio communication with special amateur radio station R2020LS (Russia 2020 Lysogorsky Sanki) during this period.

QSL manager RN3RQ.

RO SRR in the Tambov region established commemorative awards for all radio amateurs of participants of activity days who have fulfilled certain conditions.
